

Oregon Poetry Association

DONATIONS

Your contribution will help OPA connect and build the diverse community of Oregon Poets through outreach and promotion of readings, workshops and author events. These additional funds will assist in growing statewide membership by encouraging the formation of new groups and offering them support through enhanced social media. We will continue to provide outreach to enrich the lives of school-age Oregonians with our contest and other activities.

Please support our renewed efforts to keep OPA a vital organization and to provide Oregon poets with additional opportunities to exchange ideas and learn from one another. Thank you.
